

2010 CORD Academic Assembly Planning Meeting

October 6, 2009 – 11:00 am
Lighthouse Room- Seaport Hotel

Present: (attached)

Agenda	Key Points/Actions
Tentative Schedule (attached)	Schedule is posted on wiki.
Keynote Speakers	Discussed having a keynote speaker, whether to have more than one, and potential candidates. Suggestions included someone from AAMC (John Prescott, who will be speaking at CDEM), an educational researcher (Glen Reiger). Jeff Love will lead sub-group to choose keynote speaker(s). Goal of decision by 11/15
Poster Sessions	Poster sessions will have time in special interest track spot afternoons of Day 1 and Day 2. There will be a dual submission process with CORD & SAEM. If accepted at SAEM, abstract is automatically published in supplement. If not accepted at SAEM, but accepted at CORD, select abstracts will be published in supplement. John Burton spoke to submission timelines.
	Mark Langdorf presented to the group on Western Journal of Emergency Medicine (has an education section) and encouraged submissions to that journal.
Social Functions	Mike Epter and MaryAnne Gregetis working to arrange opening reception, safari dinners and other events.
Track Chair Reports	
Navigating – E. Callahan	Curriculum includes 3 years of content in 4 categories. Discussed recognition/certificate for course completion. S.Stahmer will share curriculum she had developed.
Best Practices – L.Regan	Many old favorites will be back, advanced PIF, breakout sessions and some new content – overcrowding, shared training, difficult to teach competencies & benchmarking
EMARC – L.Barrett	EMARC sessions will include hands-on, web-based sessions.
CDEM – S. Khandelwal	AAMC speaker has confirmed, so some rearranging of sessions will be done.
Pre-Day – JJ Ufberg, M.Epter	M.Epter & JJ Ufberg small groups – 23 new PDs this year. Trying to gear also toward APD's who may be on track to take over as PD.
MERC – J. Love	Will increase number of mentors. Will run 2 workshops at 3 meetings instead of 3 workshops at 2 meetings.
Special Interest – S.Stahmer	Disaster Preparedness, EMS, Peds and Resident tracks.
Evaluations	Felix asked for input on evaluation systems and developing a speaker/content library. Having immediate access to evals was mentioned. Audience response systems were mentioned for immediate feedback.
Open Discussion	AA feedback from membership survey was presented by John Marshall. S.Heron asked for historical perspective of CORD or AA. Could be a panel discussion. L.Regan asked about share information about sessions for prep prior to meeting. Using Sharepoint or a wiki was suggested.
AA Chair 2011	Pat Brunett spoke to the collective wisdom of the group. He mentioned the need for a program handbook, which would address the need for historical perspective. Since poster session is expanding, suggest moving to mini-oral presentations. Linking meeting to ACGME will continue to be explored. Asked track chairs to consider finding assistants for 2011 early.

2:00 PM				
2:30 PM				
3:00 PM				
3:30 PM				
4:00 PM			Med Ed Research Certification (Part 3)
